

## FRANCHISE OPPORTUNITIES

Join the coffee brand most passionately committed to quality and innovation and ignite customers' passion for the ultimate coffee experience. Be one of the first to own our innovative, beautifully re-designed and re-branded neighbourhood cafés. For franchising opportunities in your market, please refer to the following page of this PDF.

### **What types of locations are available?**

Downtown, street front, shopping centres, office towers, malls and drive thru locations.

### **Are you the premium blend we're looking for?**

If you have a passion for coffee and people (just like we do!), stirred in with business savvy and a demonstrated ability to hire, train and motivate a team, we'd like to talk to you.

### **What is your investment?**

Total investment ranges from approximately \$250,000 - \$500,000 plus applicable taxes. To qualify for financing, you should have a minimum of 30% of the total investment in unencumbered cash plus working capital.

### **For more information, please contact**

franchising@secondcup.com

or call 1-800-569-6318. Please refer to the following page for specific opportunities.
